175 Hospital Drive, Winchester, Kentucky 40391 | (859) 745-3500

Clark Regional Medical Center is proud to be a part of east central Kentucky. As a leader in our community, we strive to provide the highest quality care possible—both inside and outside our hospital walls—and are committed to our region’s overall well-being. By creating places where people choose to come for health care, physicians want to practice and employees want to work, we are creating a legacy of care for today and generations to come. Thank you for supporting our mission of Making Communities Healthier®.

—Aphreikah DuHaney-West, CEO, Clark Regional Medical Center

In 2018, we...

...added 34 employed and affiliated providers

Inviting the best possible providers into our community and supporting them is essential to ensuring access to high-quality care. Last year, we added providers in a number of specialties, including wound care, family medicine, pediatric cardiology, emergency care, general surgery, OB/GYN and more.

...made more than \$1 million in capital improvements

By continually investing in our facilities, we’re helping to ensure that we continue to meet our community’s health care needs. Last year’s investments included upgraded OR monitors and labor hall beds, and an upgraded treadmill for stress tests.

...distributed a payroll of \$44,480,417 to 628 employees

We strive to create an environment where talent is recognized, job satisfaction is valued and our employees can effectively use their skills to provide high-quality care and service.

...donated more than \$1.7 million in services to those in need

Delivering care to all of our neighbors, regardless of their ability to pay, is foundational to our mission and our commitment to our community.

...paid \$2,020,121 in taxes

We are proud to be a leader in our region, and our dedication to ensuring fiscal responsibility extends both to our hospital and to our community.

Duke LifePoint Quality Affiliate designation recognizes hospitals that have excelled in leadership, performance, improvement, culture, and patient and family engagement, and have the capacity to continuously measure and improve what they do.

MAKING COMMUNITIES HEALTHIER

Charity and other uncompensated care includes hospital costs not covered by Medicaid reimbursements and supplemental payments, as well as charity care and bad debt. "Physician recruitment costs" include recruitment costs and support of new physicians' initial practice establishment in the community. Payroll includes consolidated salaries, wages, benefits and contract labor costs. "Capital investments" include facility expansions/renovations, equipment purchases, technology replacement, information technology additions/updates, and routine facility upkeep and maintenance. All references to "LifePoint," "LifePoint Health" or the "Company" used in this release refer to subsidiaries of LifePoint Health, Inc.

Clark Regional Medical Center is part of LifePoint Health®, a leading healthcare company dedicated to Making Communities Healthier®. Through its subsidiaries, it provides quality inpatient, outpatient and post-acute services close to home. LifePoint owns and operates community hospitals, regional health systems, physician practices, outpatient centers, and post-acute facilities in 30 states. It is the sole community healthcare provider in the majority of the non-urban communities it serves. More information about the company can be found at www.LifePointHealth.net.
