175 Hospital Drive, Winchester, Kentucky 40391 | 859.745.3500

Our mission of Making Communities Healthier® has always been central to the contributions we make to east central Kentucky. As our region found itself impacted by the COVID-19 pandemic, that mission became even more critical to the well-being of our community. We are proud to be part of a national healthcare network that provided quality care for more than 20,000 COVID-19 patients in 2020 – including those here at home. LifePoint Health’s continued support – and yours – allows us to create places where people choose to come for healthcare, physicians want to practice and employees want to work. As we look ahead to a bright future, we look forward to further enhancing how we serve our neighbors today and for generations to come. Thank you.

— Matt Smith, CEO

## In 2020, we...

...added 74 employed, affiliated, telehealth and temporary providers

**Inviting the best possible providers** into our community and supporting them is essential to ensuring access to high-quality care. This year, we added providers in a number of specialties, including interventional cardiology, pulmonology, immediate care, podiatry and neurology.

...made more than \$4.9 million in capital improvements

**By continually investing in our facilities**, we’re helping to ensure that we continue to meet our community’s healthcare needs. This year’s investments included our new interventional cardiology expansion and cath lab, EBUS equipment, COVID-19 treatments and supplies and more.

...distributed a payroll of \$40,112,120 to nearly 600 employees

**We strive to create an environment** where talent is recognized, job satisfaction is valued and our employees can effectively use their skills to provide high-quality care and service.

...donated more than \$15.5 million in services to those in need

**Delivering care to all of our neighbors**, regardless of their ability to pay, is foundational to our mission and our commitment to our community.

...paid \$4,826,157 in taxes

**We are proud to be a leader in our region**, and our dedication to ensuring fiscal responsibility extends both to our hospital and to our community.

In June 2020, **Clark Regional Medical Center** broke ground on a \$4.6 million expansion to include a new cath lab and interventional cardiology program.
